### Commercial Pattern Archive Database On-Line Order Form

CoPA is an active database of over 46,000 sewing patterns with digital images of garments and pattern piece schematics from 1868-2000. The catalog can be searched by year(s), garment type age and gender, pattern company, occasion and keyword such as designer and garment terminology. CoPA and its trademark are protected by copyright.

#### Restrictions:

The images & metadata may only be used for private research and study purposes. Images may be printed for class work or personal reference but may not be reproduced for other purposes. Requests for other reproductions should be sent to the address below.

All efforts have been made to trace copyright holders to gain permission to use images of patterns held in the collection. Images may be withdrawn on copyright holders request.
